

## **REQUIRED ELEMENTS OF COURSES INVOLVING ADDITIONAL COSTS**

**Students in Part I and Part IIA** are required to submit a Project.

Students are given a list of possible project topics. Normally students would not incur additional costs, but occasionally they may decide to take topics which involve travel and other expenses.

**All students in Part IIB** must submit a dissertation. This is compulsory for all IIB students.

Normally students do not incur additional costs, but occasionally they may decide to take topics which involve travel and other expenses.
